Preparing for

PCM BY NAME

First…..

A few mental housekeeping items…

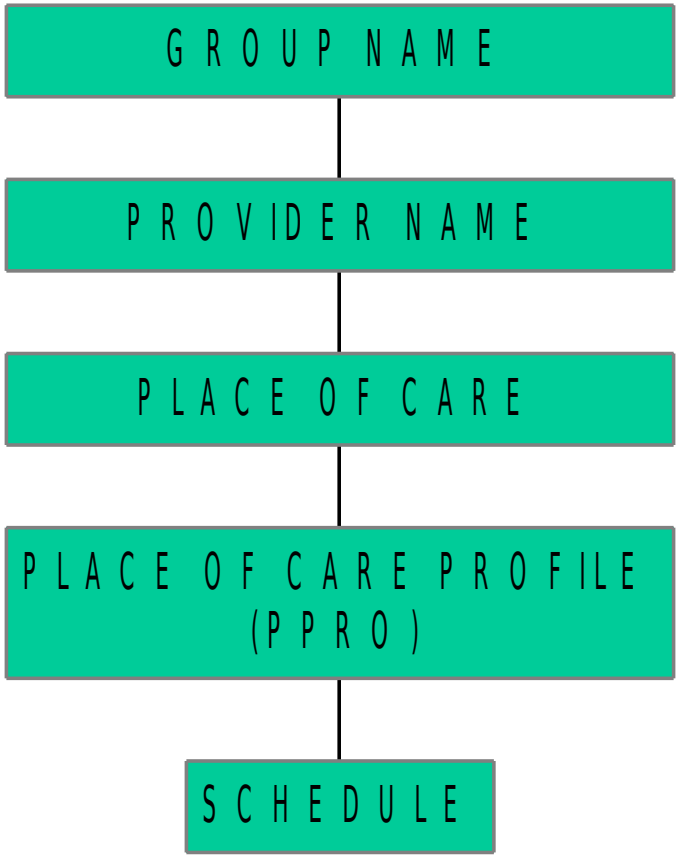
TEAM

Providers do not belong to GROUPS..

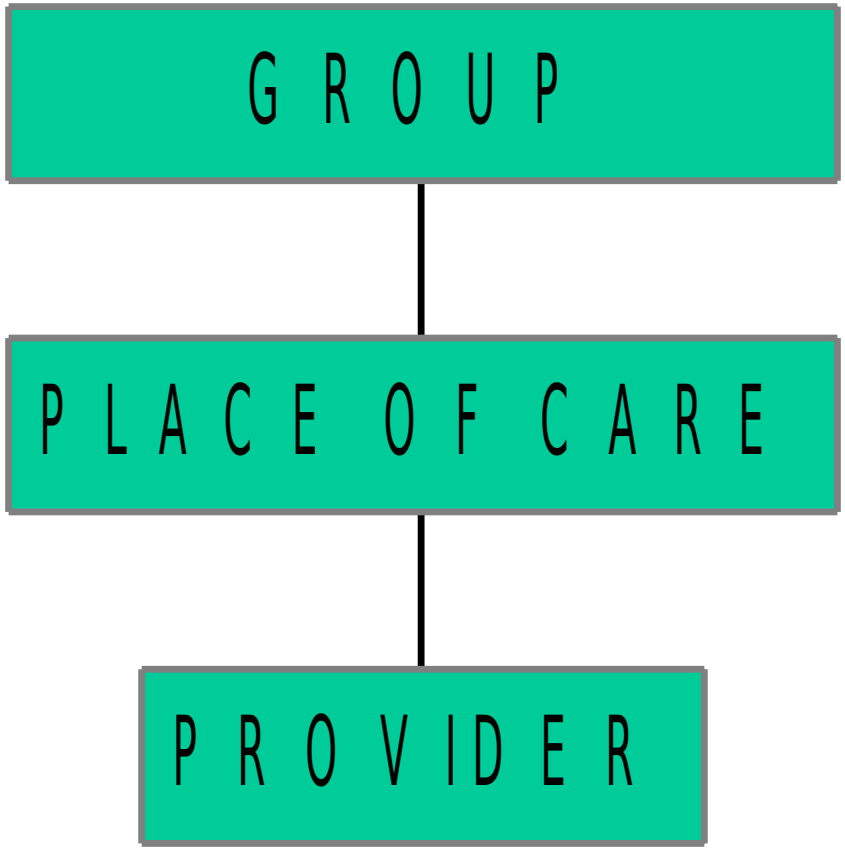
- They belong to a PLACE OF CARE in a GROUP.

There is a disconnect between how the files are built and the actual configuration. This is causing a lot of confusion.

How files are built



How Enrolling and Appointing Work



A GROUP can have more than one PLACE OF CARE

- But only ***one*** PLACE OF CARE in a GROUP can have PCMs (and enrollees).
